**Vice President's Report:** David Baum reported on the status of volunteers for specific positions. He thanked those who have already volunteered. **Secretary's Report:** Minutes from the meeting held 6/9/09 were read and approved, with correction.

**Treasurer's Report:** Carol Flannagan and Paulette Schonsheck reported that they are transitioning into the job. The China trip deposit has been paid. They have received one hundred percent of the payments for band camp. One goal for the year is to improve communications with the treasury.

**Directors' Reports:**

**David Leach:** Thanked everyone for supporting their child's activities. Band Camp was great. The marching demonstration went great, the concert was great. Symphony Band has hit the ground running. He let everyone know the next game was a Thursday night rather than a Friday.

The Concert Band is the biggest band this year, and they are quieter in class than the Symphony Band.

The Jazz Band played the Detroit Jazz Festival with last year's seniors. This Festival is a free venue with great music and very large crowds. The Jazz Band was one of seven bands to receive a 'Division I' rating and qualify through the state competition.

The Symphony Band was a state-level winner in the 2009 National Wind Band Honors project.

Please get involved; thanks for having your kids involved with the band.

**Nancy Waring:** Varsity Band is encouraged to come to football games to see the marching band. They are completing their marching unit. She will get to hear the band members play next week.
