## **FROM THE PODIUM**

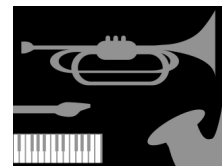

As we prepare for 2010, I would like to take the time to thank all the parent volunteers and leaders who comprise the Pioneer Band Association. Without your guidance, assistance, and generosity, what Nancy and I do each and every day with your children would not be possible. If you have not yet volunteered to be part of the Pioneer Band Association, today is the day. During these uncertain times, it is the common causes that bring us together. Additionally, while we work to support these fine young musicians, we each can benefit from the supportive environment, providing assistance and inspiration to 'weather the storm' together. There are many changes on the horizon in education in Michigan and more importantly here in Ann Arbor. Being part of a grass roots organization is the best way to get the information first, offer suggestions to solve a problem and make certain that our young musicians of today have the same opportunities and experiences that generations of Pioneer musicians have enjoyed in the past.

Many of the current Board members, newsletter editor, and volunteer chairs will be retiring at the end of the year when their children graduate in June, and the Pioneer Band Association desperately needs those crucial posts filled. Having prospective replacements step up at the end of the first semester offers continuity as the current officers and chairs can use the second semester to 'show them the ropes' rather than explaining it after the fact. It's never too late to be a part of your child's life. Supporting their decision to be part of any organization requires you to be part of it as well.

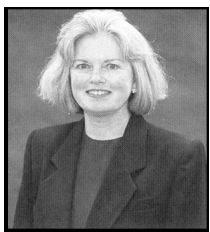

I can tell you first hand that as my children selected activities, Mary and I, as parents have had the joy of helping their group/team/cast by volunteering our time each step of the way. Yes, we have worked in concession stands and presided as organization Presidents. Yes we have sold magazines, and candy (even Pioneer Band candy!), and cooked a few meals over the past several years. In addition to the work, we have met some of the most amazing parents, uncles, aunts, and even a few grandparents along the journey, and it is at those meetings, meets, concerts that bring us closer to our children's colleagues, friends and families and ultimately our children. Please don't pass up on this chance to learn about your child's positive choices. Before you know it, they will be asking you to meet them at the stage to watch your grandchildren play "Hot Cross Buns" as your own children did just a few short years ago. Here's wishing you and your family a healthy, safe, and joyous holiday season, together!

All the best,

*David A. Leach* Director of Bands

**Next submission due date:  
Friday, February 12th**

## FROM THE PODIUM

Our first full rehearsal for the Varsity Band was extremely productive. Each half of the Varsity Band has worked diligently to perfect their part of the pieces that we are performing. We only have three evening rehearsals to put both sections of the band together before our February concert. This first rehearsal is one of my favorite events of the year. It is so much fun to see the looks on the faces of all students when they hear how great they sound. It was extra fun this year to have members of the Symphony Band assist with this rehearsal. I can't wait for you to hear them!

We have only two more evening rehearsals before our Winter Concert. It is crucial that all students plan to attend the upcoming rehearsals from **6 to 8 PM on Wednesday, January 27th and Wednesday, February 3rd.**

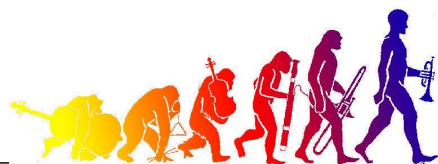

Auditions for Concert and Symphony Bands are the first week of March. The music has been available since August. It is not something that we rehearse during class so students need to be working on that on their own during their nightly half hour of practice.

Reminder that all students need to have their names on their instruments, both inside and out. Luggage tags work well for this, even if they are using one of our school instruments. Students have been advised to never leave their instrument in their hall lockers. We have a storage area in the band room for this purpose.

Although I direct the Varsity Band, the foundation of our program, I also work with every other band group at Pioneer. If you have any questions or concerns along the way please get in touch with me. The best way is via email ([waring@aaps.k12.mi.us](mailto:waring@aaps.k12.mi.us)) or use the link on the [www.aapioneerbands.org](http://www.aapioneerbands.org) webpage.

Thank you all for your continued support!

*Nancy Waring* Associate Director of Bands

## PTO THRIFT SHOP NEWS

The Pioneer Bands will be hosting "Music and Munchies" at the Thrift Shop on Saturday, Feb. 13th. Students will be asked to sign up for a 1 hour time slot in which to perform (instrumental/vocal). A keyboard will be available. It is a great opportunity for a group to sign up together, play some ensemble pieces, and then individually play solo pieces. There will be 6 time slots starting at 10am. Watch for the sign up sheet in the band room following winter break. There will also be a sign up for cookies and drinks. The band receives a nice payout for full participation. Please encourage your student to gather a group of friends and have a fun time.

The shop also has a new program called "Show Your Support". Every 2 weeks, 3 school groups are chosen by lottery to participate. Each group displays a poster which is accompanied by a token jar. When customers make a purchase, they are given a token for each \$5 spent. The customer chooses which jar to place their tokens in. At the end of the 2 weeks, the group with the most tokens receives \$500, the 2nd group receives \$350, and the 3rd group receives \$250. Watch the band website to see when the band is featured. Then do your best to shop and support them!

Due to the major decrease in volunteers at the shop, there will no longer be orientation sessions, and thus no new volunteers. Any volunteers who have completed orientation and have volunteered are welcome to continue. If you are interested, please stop in and sign up for a shift. They are readily available as the shop is lucky if they have one volunteer a day. Volunteering continues to be an easy way to earn money for the band, especially in these economic times. As always, please remember to donate and shop!

*Psssst... all you guys and dolls...spread the word!*

Polish your spats and find your flapper beads! You are cordially invited to the Bump Note Speakeasy, the 6<sup>th</sup> Annual Pioneer Band Gala & Auction and one of our largest fundraisers of the year.

The Cavern Club, at 210 S. First Street in Downtown Ann Arbor, began its life as a brewery in the 19<sup>th</sup> century. And the story is that it operated as a “speakeasy” during Prohibition, serving private label “hooch” to mavens of the Jazz Age! With its brick barrel-vaulted ceilings, flickering candlelight, and Gershwin tunes playing in the background, it’s easy to imagine Ann Arbor’s own versions of Zelda and Scott Fitzgerald offering up the secret password at this unique venue.

We won’t be breaking any laws, but our modern-day speakeasy will be so much fun it ought to be illegal! The evening will feature a buffet of hors d’oeuvres and decadent desserts, cash bar, raffle, live and silent auctions, and of course the jazz beat of our own Pioneer Band members.

**INTRODUCING ONLINE BIDDING!** Made up of donations from local merchants and our own generous PBA families, the Silent Auction has always been the cornerstone of the Gala. Bidding is enthusiastic and many guests go home with some great deals. New this year, all the items of the Silent Auction will be available for early ONLINE bidding a week before the event. Just like eBay, you’ll be able to see photos and descriptions and enter bids on items that catch your eye. Plus friends and family who are unable to attend the Speakeasy can bid, too! For details as they develop, watch the Online Auction webpage at <http://aapioneerbands.org/?p=551>.

**“INSTANT WINE CELLAR” BACK BY POPULAR DEMAND!** One of the biggest successes at the last Gala was the new, improved Raffle, which alone raised over \$3,500! With the grand prize of an “Instant Wine Cellar” comprised of over 70 bottles of white and red wine donated by our PBA families, Raffle tickets will once again be available prior to the event and sell for \$5/ticket or five for \$20.

**LOWER COST!** In a challenging economy we know family budgets are under pressure, so we’ve lowered the price this year to \$25 per person. Reservations must be purchased in advance by February 2, via easy credit card order at the webpage at [http://aapioneerbands.org/?page\\_id=540](http://aapioneerbands.org/?page_id=540).

A “bump note” is the strong, emphatic note sometimes played at the end of a musical piece. We hope you’ll join us for fun and fundraising at the Bump Note Speakeasy as we lend our emphatic support to the best high school band program in the country!

The Pioneer Band Association is a 501(c)(3) non-profit corporation and your auction purchases and donations may offer you tax advantages.

*Donating items for the Pioneer Band Gala and Silent Auction is optional. However, we encourage all families to get involved since it's a great way to work together, be creative, and help us raise funds for the Pioneer Bands!*

## Donating Is As Easy as 1-2-3!

The raffle, with its "Instant Wine Cellar" grand prize, was a big success last year. And it's so easy! We simply ask every Pioneer Band family to **donate a bottle of wine**. It can be any type, pulled from your own shelf or purchased from a local purveyor.

Donate a **merchant gift card** – of ANY VALUE! We suggest you support our local merchants by donating gift cards from their businesses, but we'll TAKE ANYTHING. You might even consider "re-gifting" a few of those cards you may receive over the holidays. Or perhaps you could purchase a "voucher" for lesson time from your child's private teacher to donate to the Gala. And don't forget to involve the whole family - you could even ask your student to craft a "voucher" for babysitting or snow-shoveling time.

A fun, creative way to donate is to assemble a **"Family Basket"** for the Silent Auction. Go with a little Roaring Twenties flair or pick a theme that reflects your family's personal interests. And don't limit your package to a "basket" – think outside the box with your packaging and items. Join other families, or band sections, and work as a team to assemble theme baskets. Sports tickets, electronics, items signed by celebrities (books, baseballs, hockey sticks, etc.), and photography all go great in baskets. Anything purple or musical to evoke Pioneer pride, too. Theatre/concert tickets and dinners are often best sellers, and "experiences" are very popular – a gourmet cooking lesson, for instance. But remember, all items should be new, non-perishable, and attractively packaged using clear wrapping material.

The hard work and talent of our students have brought them many honors and opportunities, but the success of our band program is not possible without family support. So whether you're "crafty" and enjoy the creativity of putting together a basket, or feeling time-crunched and would simply like to donate a gift card or a bottle of wine, we are grateful to our wonderful band families for their continued support. Thank you!

### **Changes to PBA Bookkeeping Operations**

A year ago, PBA hired Daryl Hurst to organize the books and bring PBA into compliance with the IRS by filing back tax forms. In that year, he has worked hard to create a bookkeeping record that is complete and up to date, add features such as online credit-card payments to make it easier for PBA members, and file our past tax forms.

At this point, we are ready to move back to bookkeeping done primarily by volunteers. Starting Dec. 1st, Paulette Schonsheck and Carol Flannagan, the PBA co-Treasurers, took over the day-to-day bookkeeping. Paulette is serving as the primary bookkeeper, and Carol is taking on responsibility for communication, reporting, and bookkeeping backup. However, you can contact either co-Treasurer about any issue and get an answer.

Fortunately, Daryl has agreed to stay on in an auditor/trainer role for very reasonable fees on a year-to-year contract basis. Daryl's contract will be reviewed at the end of each fiscal year by the PBA Board and then renewed for a one-year term if Daryl and the PBA Board both agree that it should be. For more details about Daryl's contract, please feel welcome to contact Gloria Wilson, PBA President, or David Baum, PBA co-Vice President.

Daryl's responsibilities include: providing training to future Treasurers to ensure smooth transitions; reconciling and auditing the books regularly; filing all tax forms; and consulting with the current co-Treasurers for on an as-needed basis.

To help provide a seamless transition, we are organizing email addresses as follows:

**Bookkeeper@aapioneerbands.org** will continue to work and will go to Daryl, Paulette, and Carol. In a year or two, this email address will disappear, since it is redundant.

**Treasurer@aapioneerbands.org** will go to both Paulette and Carol.

If you want to contact Daryl directly, he can be emailed at **darylhurst@comcast.net**.

Our goal is to be sure that the PBA's books are up to date and transparent. More importantly, we want to be sure that PBA members can get financial questions answered and issues resolved quickly. Please let us know if you have any questions, problems, issues, concerns, etc.

We are also deeply grateful to Daryl for all of his work over the past year in bringing us into compliance with the IRS and streamlining our bookkeeping system. His guidance and stewardship has been invaluable.

Sincerely,  
Carol Flannagan & Paulette Schonsheck, PBA co-Treasurers  
David Baum, PBA co-Vice President
