- Budget is based on averages using the prior 3 years.
- There are many variables in the budget such as number of students, number of scholarship requests, etc.
- It is a 2 year budget because one year we travel and one year we don't.
- Many small things are wrapped into the budget such as the plaques on the wall.
- Parent questions:
  - Q: Why are we budgeting to lose money on Solo and Ensemble? A: Some kids can't or don't pay so we keep a small cushion to help cover those costs.
  - Q: Why is the final total of \$17,500 listed under expenses? A: It should be moved under Income.
  - Q: What is the Senior Omega Ad? A: It is an ad in the yearbook. Seniors pay a fee to be in it.
- Mary Beth initiates a vote on the budget and all present vote Yes.

**VICE PRESIDENT'S REPORT:** Suzanne Ross and Monica Turenne
